www.marianhouse.org

Located in Better Waverly community of Baltimore, Marian House specializes in serving and providing housing for women and their children. We serve women across Baltimore and throughout Maryland.

Our Mission Statement

Marian House is a holistic, healing community for women and their children who are in need of housing and rehabilitative services. We provide a safe, sober, and loving environment that challenges women to respect and love themselves, confront emotional and socioeconomic barriers, and transition to stable and independent lives.

Our Vision Statement

Marian House strengthens our society by unlocking the potential found within the women we serve.

Our Values

Marian House values the innate dignity of each human being. Within a culture of respect and understanding of the human condition, the values of patience, trust, honesty, and integrity direct all of our interactions and endeavors. Marian House is committed to equity and inclusion. We value diversity of thought and honor individual identity which includes race, color, national origin, gender identity, sexuality, class, and religion.

Our Story

Since its founding by the Sister of Mercy and the School Sisters of Notre Dame, Marian House has become known as a leading organization providing high quality rehabilitative services to women who suffer from complex histories of trauma, including mental health disorders, substance use disorders, physical and sexual abuse, those re-entering the community after incarceration, and other unstable life situations. Over the past 42 years, Marian House has served over 4,600 women and their children and has continuously modified its program to achieve strong, lasting results.

The Marian House Transitional Housing Program has grown from accommodating 14 women to now being able to serve 28 women at any given time.
